## More information and ideas:

- Individual departments or teams can take ownership/sponsor of a production line
- Time slots (Tag teams) can be worked out for volunteers to fill up the entire allotted time to achieve the end goal, ensuring productivity at work is maintained
- Run a friendly competition against each other in a race against the clock. The first team to hit the targeted food packs first wins
- Each team to dress in a theme or make team names to make it fun
- Winning team gets to choose the charity to benefit from the efforts of the day
- We have a network of charity organisations you can choose from that are always in need of meals OR
- You can choose a charity of your choice
